During the last 3 months of pregnancy, the Prepared Childbirth Class Series is highly recommended for its hands-on, and often, fun approach to dealing with labor, delivery, and recovery after birth. This series teaches comfort level and enhancing the birth experience. Birth preparation is discussed in detail for natural vaginal delivery, birth with an epidural, or cesarean birth.

Bring as many questions as you like - and don't forget to breathe.

Prepared Childbirth Classes

This is a 3-week series of classes for prepared childbirth. The following will be covered:

- breathing exercises
- relaxation
- stages of labor
- pain management
- post-partum care
- baby care

You will also have the opportunity to meet pediatric providers.

Breastfeeding Education Class

"Breast is best" is a two hour class which includes the basics of breastfeeding, establishing milk supply, breastfeeding positioning, pumping and storage, problem solving, and expectations for nursing mothers.

Childbirth Classes: Each class series will be held 3 consecutive Wednesdays from 6:00 - 8:00 PM at the Olean Medical Group, Area E, 1st Floor

Cost: \$60 per series. (Most insurances cover these classes.) Paid Classes are non-refundable. Classes may be scheduled for a later date.

Register: By phone, call 716-376-2261 or in person, come to First Floor, **AREA E**, at the Olean Medical Group, 535 Main St., Olean

Breastfeeding Classes are free but you are encouraged to register.

Both classes are conducted in **AREA E, First Floor**, at Olean Medical Group.
